Welcome back to another school year! We at Massapequa SEPTA would like to invite you to once again become a member, and help us to continue our mission:

- To educate parents and staff through speakers, workshops and information regarding special education and related areas
To provide information on the multitude of services available for our children locally, statewide and nationally
To create social and recreational opportunities for all the children with special needs in Massapequa (including those who are placed out of district)

As you may be aware, SEPTA represents over 800 students and their families receiving services district wide. Special Education Students are in almost every classroom. We will continue working closely with our school administrators to improve the availability and quality of education services for our children.

Your \$10.00 membership (\$5.00 for each additional family member) will help support the children and families with special education needs in Massapequa.
