

# SEPTA Teachers Grant

The purpose of a SEPTA Teachers Grant is to distribute funds that will benefit the students of our district. Any Massapequa staff member who works with children with disabilities is eligible to apply for a SEPTA Teacher Grant. Is there a project you always wanted to do with your special education students? Apply for a SEPTA Teacher Grant and we'll fund your creative endeavor that will enhance the education for your special education students. Take pictures of your project, so we can showcase it on the Massapequa SEPTA website.
